

# The Future is Emerging

Today, most of the world's people, GDP, internet users, and growth come from Emerging Markets.

**Tomorrow, most of its Unicorns will, too.**

At Rise Capital, we back the brightest and most ambitious technology entrepreneurs in Emerging Markets as they build tomorrow's most successful, iconic, and impactful companies in the world's largest and fastest-growing economies.

*We are operational and strategic*

## Business builders.

We help companies define and develop successful strategies, accelerate growth, manage cost structure and supply chain, as well as devise actionable technology roadmaps for long-term success.

## ABOUT OUR FIRM

At GT Solutions, we believe in the power of technology & knowledge to positively transform lives. We believe that the biggest potential for this to occur lies in Emerging Markets like Latin America - where most of the future growth could come from.

In Emerging Markets, technology and knowledge can break barriers and create an enormous opportunity for people & enterprises to thrive. At GT, we back the brightest and most ambitious entrepreneurs in LatAm as they build tomorrow's most successful, iconic companies in one of the world's largest and fastest-growing economies.

Headquartered in Asuncion (Paraguay), GT was founded by long-time Emerging Market internet entrepreneur & investor Emilio Gomizelj (ex-MercadoLibre & Navent), GT Solution's network partnership consists of experienced internet executives and entrepreneurs who combined operating and investing experience in LatAm.
